SOCCEROO SETBACK !

The Socceroos were defeated 2-1 by CONCACAF rivals Canada in the first leg of the World Cup Qualifying game last weekend in Edmonton. The lead up to the encounter and the subsequent contest characterised by controversy on and off the park and served to raise more questions than it solved.

ROBERT WHEATLEY ***investigates the issues and reveals that the bottom line always returns to results.***

Socceroo captain Graham Arnold

Simon and Garfunkel so aptly described in their classic hit song that, "the road is long with many a winding turn".

And as the Socceroos plot their path to USA 94 few could argue that several major obstacles have appeared on that road making their journey all the more difficult.

Learning to live with the considerable stumbling block of overseas based players and their associated problems has been hard to tolerate.

Coach Thomson has been frustrated in his preparation prior to World Cup qualifying games in a three way tussle.

Initially he has to contend with local players who see themselves as 'making up the numbers' in overseas camps and the unpublicised friction this involves.

The ties attached to overseas based players by their clubs have been impossible to detach until FIFA stepped in to provide some meaningful time together as a unit during the two weeks between matches.

And most importantly the average punter remains confused, when results are not forthcoming, as to why the local product is not preferred.

Add to this conundrum facing Thomson the addition of incidents such as the Bosnich withdrawal which must have struck the national coach like a dangerous hairpin turn as he attempts to steer the Socceroos to USA '94.

While Bosnich refuses to serve the national team he continues to add fuel to a valid argument.

Without the support and exposure of various national teams in which he has appeared, the world stage, that he and several other current internationals have enjoyed, would quite simply not have available to perform on.

The Australian Soccer Federation was quick to invoke the suspension of Bosnich from club matches and took the right action.

The cancer of club commitments extended to other overseas based players who requested releases back to their respective clubs during the fortnight between the first and second leg matches against Canada.

One major feature lacking in last week's performance by the Socceroos was cohesion.

While credit must be given for the 1-0 lead taken into the half time break by the 10 man Australian side the understanding amongst remaining players was missing.

This underlines the need for time together for all the problems to be sorted out.

Events have turned full circle for the Socceroos since the clash against Israel in 1989 at the Sydney Football Stadium on that occasion the return to Australia by Farina, Mitchell and Krncevic was roundly criticised as a reliance on players with little time to adjust to the patterns and set pieces of the predominantly local squad.

Frank Arok must have agonised over their inclusion.

Significantly it is now only three local players who will contribute to next weeks crucial contest with Canada.

Thomson will not make wholesale changes but the evidence points towards the return of Wade and a much needed increase in intensity by all concerned.

If the tables are turned on Canada, which the players believe can be done, and the result is in Australia's favour, then graduation to the South American stage will allow the Socceroos to travel through another dangerous section of the road with the intention and desire of a green light to the World Cup Finals uppermost in their minds.

BLACKTOWN CITY WRAP UP MINOR PREMIERSHIP

SUPER LEAGUE with Ian Marriott

Blacktown City took themselves one step closer to wrapping up Super League minor premiership when they defeated Bonnyrigg last weekend courtesy of a Pat Bradley goal in the 73rd minute at the Gabbie Stadium.

The goal came at a point in the match when Bonnyrigg appeared to be getting slightly the better of the Demons however a disputed hand ball just outside the penalty area saw Bradley provide the spectators with a much needed slice of inspiration delightfully curling his shot into the pigeon hole of the far post leaving the White Eagles keeper with no chance.

The match in general left much to be desired and was hardly of a standard befitting either the States top competition or the Leagues leading club. For much of the match Blacktown City were content to sit back and defend and while the Bonnyrigg attack was nothing to write home about at least they had a go and could well have led by a couple at the break.

To be fair to the Demons, they did show flashes of brilliance late in each half but lets be honest, the game is about putting bums on seats and to achieve this aim a little more adventure is required.

Maybe the idea of points for a win should be scrapped altogether and instead the top five simply determined by goal difference, that would certainly encourage teams to have a go.

Bankstown City meanwhile have virtually no chance of overtaking Blacktown after being downed 2-1 by Canterbury Marrickville who are continuing to prove the critics wrong.

City opened the scoring as early as the fourth minute through Mendo Ralevski and held their lead past half time before Spiro Hantzis equalised in the 60th and John Christou silenced the home supporters in the 78th.

Bankstown striker Marshall Soper worked hard throughout the match to no avail thanks to the Marrickville defenders tight marking game although he was a constant threat in front of goal.

Canterbury move inside the top three while Bankstown must now defeat Blacktown City on Friday night in order to regain second position on goal difference from Canberra who had few problems accounting for St George scoring twice in each half with Tony Milicic adding two to his tally.

Milicic first goal came midway through the first stanza and was quickly followed up by Vilimir Kupresak in the 25th.

Deakin took the pressure off the accelerator for a while allowing Saints to pull one back via Mike Grbevski before powering home with Frank Muriqi scoring his 7th goal this season and Milicic adding his second of the match.

Adamstown Rosebuds require just four points from their remaining three matches to ensure a top five berth after securing a further three points from Wollongong United in a 2-0 win which saw the ever present Graham Jennings putting the Newcastle side ahead after 52 minutes thus easing the pressure on the bench and Damian Smith ensured the victory by adding to the scoreline in the 83rd minute.

Both Leichhardt and Stanmore kept their now remote chances alive, the Tigers beating Eastern Suburbs 3-1, Brad Maloney scoring a brace of goals, and Stanmore accounting for Rockdale Ilinden in a tight clash netting twice in the last three minutes through Lee Bullen.

Warringah Dolphins Frank Gigliotti scored his seventh of the year and in doing so earned his team the three points from Sutherland.

Action from the two big games last weekend (above) Canterbury Marrickville - Bankstown City and (below) Blacktown City - Bonnyrigg W.E.

THE DEMONS BIG WEEKEND

Blacktown City have a tough double header to play this weekend, firstly meeting the challenge of Bankstown City on Friday night at home and then Canterbury Marrickville on Sunday at Arlington Oval.

Two victories would allow them the luxury of only requiring a couple of points from their final two encounters to wrap up the minor premiership but even should they succumb in both clashes they would still remain in the lead and should go on to record their names in the history books such is the dominance that they have displayed throughout the season.

Bankstown City will be a tough hurdle to overcome, and even more so following their loss to Canterbury last weekend.

Marshall Soper is the man whom the Demons will need to take care of and it will be a difficult task as he doesn't often go two matches in a row without scoring.

Having overcome Bankstown the Demons must then apply themselves to the task of beating a fired up Canterbury Marrickville who will be fresh as daisies in comparison.

The quiet achievers of the NSW Super League, Canterbury would dearly love to knock off Blacktown which would enable them to claim five out of six against the Demons this season after drawing 1-1 in the first half of competition.

Bankstown City will also need to re-group quickly from the Friday night clash of the titans in preparation for their important Sunday match against Stanmore Stanmore who are still holding on to faint dreams of a finals position.

Canberra Deakin continue their quest for the top, this week travelling to the E.S. Marks Field where they play Eastern Suburbs.

Forget about the ball, it was World Championship Wrestling at Perfection Dairies Gabbie Stadium last Sunday

Deakin are in the best position to take advantage of any Demons mishaps and the message is simple if they are to hold any hope of overtaking the leaders. They must win them all.

While Bonnyrigg are definitely out of contention now, they still could well hold the key to the eventual make up of the top five when they host Adamstown Rosebud at the Serbian Centre on Sunday.

Two clubs in particular that will be taking note of the scores are Leichhardt Tigers who will have problems of their own to contend with when they meet Warringah Dolphins at Cromer Park and of course Stanmore Stanmore.

Bonnyrigg were a much improved side last weekend in comparison to the previous week when they were thumped by Bankstown City.

The score could well have read 3-1 in favour of the White Eagles over Blacktown City and similar commitment will provide the Rosebuds with plenty of headaches.

The Tigers chances of overcoming Warringah whose last loss was six rounds ago will very much hinge on the ability of talented midfield striker Brad Maloney who has been in tremendous form of late.

If Maloney is given the opportunity to weave his magic then the Dolphins will rue the fact however the problem they must first overcome is how to contain him, a difficult job indeed.

In other games Sutherland Shire entertains Wollongong United at Seymour Shaw and St George play host to Rockdale Ilinden at the St George Stadium.

HOW ABOUT AN OLYMPIC GOLD MEDAL?

An Olympic Gold Medal is the dream of probably every competitor in every sport around the world. And countless thousands of soccer players across the globe would love to get their hands on that piece of gold that says "WE'RE THE BEST'.

A development programme is about to get underway to give Australia its best possible chance of winning the Soccer Gold at the 2000 Olympics, hopefully in front of the Sydney sporting public. As part of this National programme, the N.S.W. Soccer Federation is targeting players now. Boys who are currently playing Under 15's Youth League, and the younger part of the Under 16 age group, are the prime target for the development programme (born on after 1st January, 1977).

Back Row: L-R Kelly Cross (Coach) Gary Vian, Pat Ciampa, Brandon McGregor, Mick Oraz, Jason Perinich, Chad Knight, David Maidman, Ben Lovie, Ron Jackson (Ass. Coach) Steve Kenny (Manager). Front Row: Adam Collins, Anthongy Trieste, Bobbi Brodie, Shannon Verkade, Carl Modena, David Judge, Anthony Guido (Capt.) N.S.W. ACADEMY OF SPORT 1993

All Australian States are setting up Intensive training Centres (I.T.C.'s), and ours is designed to get as many New South Wales players as possible into the Australian Olympic Squad in 2000. In fact, this age group is especially lucky because it is also the prime target for the World Youth Cup in 1997! Imagine it - World Youth Champion 1997, Olympic Gold Medallist 2000! We want to see our State's soccer cream realise their soccer dream, and the first step is in October this year when selection for the 1994 N.S.W. Intensive Training Centre is finalised. The programme runs for forty weeks of the year and the squad will compete as an Academy side in the N.S.W. Super League Under 18 Division. Scholarships are for up to three years, depending on progress, and it is hoped that the better players would move on to the Australian Institute of Sport residential programme, then World Youth Cup and Olympics 2000.

If you wish to "GO FOR GOLD" and are born on or after 1st January, 1977, please telephone Tricia on (02) 629 1800 and ask for an application form.

Scholarships are for up to two years and include:-

- **40 weeks' coaching per year**

The squad competes in the Under 18 division of the N.S.W. Super League, therefore any player who has signed to play for a club for next season should not apply.

APPLICATION FORMS ARE AVAILABLE FROM THE N.S.W. SOCCER FEDERATION.

If you were born on or after 1st January 1977, ring Tricia on (02) 629 1800.

JOHN KOCH WAITS FOR A SECOND OPPORTUNITY

SPECIAL FEATURE
with
Anthony Raineri

There once were three promising 16 year olds playing first grade in Queensland State League - John Koch, Jason Polak and a third teenager we will call "George".

All three were offered scholarships at the Australian Institute of Sport (AIS) in Canberra. Koch and Polak accepted almost without hesitation.

"George" said no believing he could continue his meteoric rise to soccer fame and fortune via Queensland.

After all, he was still only in his mid-teens and already being paid about $100 per week to play soccer, which was a fortune back then for a 16 year old.

Nine years on, and Koch and Polak have gone to represent Australia in the World Youth Soccer Championships and are now regular Coca Cola Soccer League (CCSL) first graders.

In Polak's case, he has represented the Socceroos and even had a stint overseas.

"George", meanwhile, quit soccer years ago and is now known for his excessive weight and penchant of alcohol.

Koch today wonders how different things could have turned out for his mate "George" had he decided to take up the scholarship.

"George", a champion athlete, was considered to be the most talented of the three and represented his States in six sporting events.

Needles to say, George today regrets not following Polak and Koch down to Canberra.

This is one of Koch's favourite stories when discussing the failure of promising young soccer players realising their potential. In fact, Koch identifies with the story as he too is not without regret.

"I wish I had showed a lot more dedication between 19 and 21 years of age," he said. "I regret I wasn't tougher on myself. I was too care-free and laid back. "Now I wish I had been more ambitious.

"You always say to yourself "hat if I did this or what if I did that"

Koch is talking about his three year stint at Sydney Olympic from the start of the 1988 season to the end of the first summer season in 1989/90.

He had arrived at the club just after starring for Australia in the 1987 World Youth Championships in Chile.

Australia did not advance past the first round of matches where they defeated Tongo 2-0 but lost to eventual winners Yugoslavia 4-0 and host Chile 2-0.

Koch made the headlines when he was sent off by an Egyptian referee in the first match for wasting time.

After his stint at Olympic - which was plagued by injury - Koch signed for Newcastle Breakers where he has played for the past two seasons.

Koch's career can be described as moderately successful but he has not reached the heights of fellow Young Socceroos Polak, Jason Van Blerk, Paul Trimboli and Lou Hristodoulou.

"I learned a lot in hindsight," Koch said. "Eddie Thomson was the coach of Olympic.

John Koch

"If I had played to my potential you never know where I would be now."

Koch was born in Brisbane and played for Queensland State League club Pine Rivers from the age of four until he left for the AIS at 16.

He represented his State throughout his teens and it was actually at an Australian Championships that Koch was spotted by an AIS scout.

Koch represented the senior Queensland team last year and would have again this season had it not been for his marriage to Kylie which happened during the recent interstate series.

When at Olympic, Koch was in the team which reached the grand final in 1989 but unfortunately was injured the following championship winning season.

Originally a midfielder, Koch started at Newcastle as a striker, dropped back to midfield and is now entrenched as sweeper.

"I would like to make sweeper my permanent position," he said. "I want to establish myself in that position because that's where I enjoy playing most."

Warringah Dolphins, the NSW Super League club Koch is on loan with for the rest of the season, is not complaining.

Their regular sweeper, captain-coach Glen Sterrey, is out injured and has been for long periods of the season.

No doubt the absence of a permanent sweeper all season is a factor why the club is languishing in the bottom half of the table after finishing second in 1992.

Koch is not contracted with Newcastle for next season and is still negotiating with club officials. The outcome hinges on whether Koch accepts a new job with insurance company AMP. If he does, Koch will not be able to take time off work to travel all the way to Newcastle three times a week for training.

"I am happy to continue playing and enjoying soccer at the highest level possible in Australia," Koch says.

What about overseas?

"I'll never say no," he says. "It depends on what opportunities arise."

One thinks that from now on, opportunity will not have to knock twice on Koch's door.

WARATAH CUP -

The three venues for the Quarter Finals provided plenty of excitement for supporters last Wednesday at least one unexpected result.

In Canberra, where Canberra Deakin had been expected to derive benefit from a home draw to defeat 1st Division Mount Pritchard, the locals reckoned without the cup fighting qualities of Glenn Fontana's well credentialled outfit.

Deakin were missing Ante Milicic and Velemire Kupresak, who could not get away from their Sydney base for the mid-week fixture. Also out was Joe Gatetti, following club disciplinary action and reserve goalkeeper Tony Pezzano who could not, on this occasion, manage the trip to replace the absent Tony Giannasca.

The Mounties were also short handed with classy defender Martin Bourke suspended, Chris Ackerley out of commission and both their first and second choice 'keepers unavailable due to unfortunate family circumstances.

Standing in between the posts, at a moments notice, was none other that the club's President, Ron Gisborne, who has only played rarely this season in the reserves to keep his hand in.

What a thrill then for the big man to be not only witness to, but a part of, the giant-killing 1-0 win by the Sydney side.

Canberra threatened to capitalise on some apparently generous offside rulings by the linesman, but when the chance came they did not take them.

Gisborne could only parry one such effort, but the ball was scrambled away and another hit him firmly in the chest, before being cleared.

Later on Gisborne did well to hold onto a Ray Junna cross before being barrelled by a Canberra player who proceeded to pick up the loose ball and aim it at the net. Only swift action by Paul Robaard in clearing off the line saved the day.

Semi Finalists Canterbury Marrickville in action against Bankstown City last weekend

The glaring effort by Tony Lemezina is not following up his own seemingly goalbound lob over Gisborne in the first half could have cost his side the match.

Mounties scored the winner when Vladan Radic put Brad Gambrill away and the former Mount Pritchard junior raced through to first draw the goalie and then place his shot beyond the youngster, to perfection.

Gambrill also had a further chance to deliver another goal later, but found the side netting after Stan Suman had nodded on a Matthew Bourke free kick.

Graham Watton and Gabrill in particular, had splendid games for Mount Pritchard who had now beaten Super League clubs at each of their past two matches.

They fancy their chances in the semi-finals too.

At the Gabbie Stadium another 1st Division side, Auburn United, showed plenty of cheek before going down 3-5 in extra time to Super League leaders Blacktown City.

Blacktown signalled their intention to get on with the game when they took a 3rd minute lead.

A simple chip over the heads of the Auburn defence allowed Steven Berry to run through and drill a good shot past Mehmet Silkecki.

A power header by Auburn defender Danny Cerjak from a corner kick in the 334d had to be headed off the line for the Demons by Martin Driene.

Sasha Spiroski made some space for himself in the 39th to reach the edge of the box and let fly with an unstoppable shot which left Craig Cater floundering.

Both defences then remained sound until full time and the game moved into another thirty minutes of action packed soccer.

Brilliance by Alex Araujo saw Auburn reach the lead for the first time less than a minute into extra time. Auburn were looking good and it was left to masterful sweeper Jason Connolly to rescue Blacktown on several occasions.

Then ten minutes into the first half of added time Blacktown began to press strongly and it was Auburn's turn to clear the lines after a frantic melee.

Three minutes later the scores were again level as Lawrie McKinna drove the ball home after a square pass by Berry.

Following a corner on the right Connolly restored The Demons' lead in the 112th with a shot from the 18 yard mark after the ball had been only partially cleared.

Darren Read gave Auburn another lifeline 5 minutes from time when he slid a cross under Carter to make it 3-3.

Substitute David Batten was on hand two minutes later to make it 4-3 for Blacktown when fed a great pass by fellow sub Paul Bourke who had made a searching run from deep.

Right on full time McKinna ran from half way as Auburn left themselves totally exposed at the back to slot past Silkecki and put the issue beyond any doubt.

The double header at St George Stadium proved equally exciting with close finishes in both matches.

Bankstown took a relatively early lead against Warringah Dolphins and looked to be going along nicely until Anthony Versi scored a cracker early in the second half.

After a Warringah free kick had

SEMI FINAL TIME

been slipped over the bar by Wayne Pierce in the sixth minute Bankstown broke quickly sending Scott Gilbert past half way and in turn the talented speed merchant provided the perfect diagonal ball for Scott Baillie.

Baillie drove a low shot into the bottom left corner from about 15 metres out.

Bankstown were on top for a while, with Anthony Surjan just wide with a shot and another attack being undone by brave work by Chiarella.

Warringah then got going and Wayne Pierce had a header and a free kick narrowly off target and then Versi had a goal disallowed for offside.

Mark Butler's shot in the 37th was brilliantly saved by Anton Avellino, while Gilber almost put the other side up when he intercepted a ball on half way and sped away only to shoot wide of the left post.

Minutes into the second half Gilbert, who was to leave the field soon afterwards, burst upfield and chipped the advancing 'keeper only to see his shot come off the crossbar and away to safety.

Versi got the equaliser when he found the bottom left corner of the net after an extra smart turn on the edge of the area.

Bankstown were still very much in contention and Zaja Jabraiel made a big run to get into the box only to be closed down forcing the shot wide.

Gilbert headed a Petrovski cross from the right over the bar in the 65th and was then helped off with an evident muscle strain.

The extra time which proved necessary did nothing to break the deadlock and the game moved to penalties.

It was the save by Frank Chiarella from Bankstown's second shot by Saso Boskovski which proved decisive.

All five of Warringah's penalties were successful with substitute Phil Moss being given the responsibility of taking the all-important fifth shot.

For the record the others to score were, in order. Frank Gigliotti, Ross Etherington, Mark Brown and Anthony Versi.

And so Warringah earn a semi-final tie against old foes Blacktown City.

The later game between Canterbury Marrickville and Highfields Azzurri form Newcastle, was not without its share of controversy.

David Lowe, one of many of Jim Foley's squad with a wealth of experience, saw his angled shot cleared off the Berries line in the 7th minute by Kariamis.

It was right on half time when Canterbury hit the lead.

A cross from the right by Burim Zajmi was brilliantly finished at the near post by the lurking Vlado Zoric, who sharpness was a lesson to aspiring strikers.

Highfields got their all important first goal in the 58th minute when David Lowe stuck out a speculative boot to a loose ball in the area and when the ball hit the post followed in his own shot to make sure of it.

A great finish by defender Gary Wilson to a clever build up in the 80th minute saw Highfields take the lead.

The visitors did well to claw their way back into the game after being headed, but were unfortunate to see that 2-1 lead wipe out when a momentarily raised offside flag was not enough to prevent Canterbury snaring an equaliser in the 85th minute.

That even seemed to knock Highfields for six and they conceded two more in the remaining minutes to dip out of the competition after a few good results.

The Berries' scorers were Steve Christofiridis and it was the same substitute who put them ahead 3-2 in the 87th.

He slammed the ball in at the far post after a cross from the left.

Zoric rubbed it in in the last minute when received the ball in the middle and got away from a tiring Highfields' defence down the left side, unleashing a tremendous drive into the far corner of the net.

Zoric will be a hard man to mark in the semi-finals and his presence could see Canterbury start as favourites to beat Mount Pritchard.

As for Highfields, they have enlivened the scene and will be welcomed back next year.

The two semi final matches will be staged at The Gabbie Stadium.
The early game will feature Mount Pritchard and Canterbury-Marrickville at 6.30 pm, with Blacktown City v Warringah Dolphins all-Super League clash as the main feature at 8.30 pm.
It should be a big night at The Gabbie and as both the matches involve teams from opposite ends of the city there would be keen rivalry between them and a sizable crowd.

Another great night last Saturday at our Annual Yulefest Dinner. Many thanks to all the committee who worked so hard to make the dinner at the Coogee Bowling Club such a success, particularly Pat and Norma Ross who had the dining room done up like Buckingham Palace the last Christmas the Queen was talking to her family.

Bobby Turner had the bright lights flashing and the good music gushing, Rod Adams was his usual quite achieving self and needless to say Frank Leyden turned in another legend job as the MC and Quizmaster.

And when the show was over, wee Bobby fronted up with his mate Charlie Loye from the Bowling Club to take down all the decorations, generally clean up and leave the place in shape for another party the next day. Magic effort considering what time of the morning it was. Wonder he didn't fall off the ladder. Must be the black beer that kept you steady, Bobby!

You can't have a club without workers like these people. It's all honorary and time consuming and I know everyone appreciates their efforts. You get a 100 per cent effort from them for our club every time.

Great to see many of the club's leading players and their families enjoying the night and a healthy sprinkling of the younger blokes there too.

The action buzzed well into the wee hours of the morning and even losing to Leichhardt doesn't seem so bad when you've won a trip to Surfers Paradise and a bottle of Scotch big enough to give the entire first battalion of the Black Watch a combined headache.

As Frank Fineran. The last I saw of him he was standing on four telephone books, hanging on to Neil Spence's missus and trying to pick up dollar pieces from the floor. Or it could have been Neil hanging into Frank's missus. I dunno. I was tired. Someone was doing it anyway. It's a game the boys play.

They sing okay at that time of the night too. Great to see Frank win, anyway. No-one has stuck more solid to the club.

Incidentally Frank's Surfers trip came courtesy of Majestic Travel. Many thanks, particularly to Steve McCall of the great Travel service.

While we're talking about those behind the scenes people, we mustn't forget the ball boys. They're just another part of those who turn up every week and do their jobs.

John Segal, from Maroubra Juniors, organises the boys for us, and he's an important part of the Eastern Suburbs football set up.

To John's son Warwick and his brother, young Paul and any of the other boys who help .... Thanks, fellas, you're doing a great job.

NEXT ON THE SOCIAL SCENE .....

Frank Leyden's favourite .... The Talent Quest night at the Coogee Bowling Club on Saturday night August 14.

All the favourites .... Rod Stewart, Madonna, The Rolling Stones, Elton John, Prince and Perry Stanbrook.

A great night, cheap at around six or eight bucks, and tickets selling out fast. All Talent is requested to front up to Frankie.

This could be your big break in Show Business. Leading British and Australian producers and directors will be present to judge talent. Football boots not essential.

WARRINGAH Dolphins

PROUDLY SPONSORED BY MANCHESTER UNITY

with "The Dolphin"

Former Socceroo captain John Kosmina was last week appointed coach of the Warringah Dolphins for the 1994 Super League season. Kossie, as he is known in soccer circles, will take over the reigns from present coach Glenn Sterrey after a two year reign at Cromer Park. With a great selection of young talent to choose from here at Dolphin Park, Kossie seems set for success early on in his coaching career. From everyone here in Dolphin City Kossie, welcome and good luck in '94.

* Isn't it amazing how a small piece of woodwork can cost you a deserved 4 or 5 goal win. Last week against Sutherland, the Dolphin had to be content with just the one gaol after the woodwork cost us another three or four.
It was a gutsy win for first grade and one which takes us to within four points of sixth place on the ladder.

* The win, coming courtesy of Ross Etherington goal, also puts the scorer near the top of the Golden Boot Award .... well not really, but to score two goals in as many games from right full back is not a bad record. Well done Scoey.

* The second grader had another win, to the tune of 3-0. On the scoresheet from them was Nathan Rayment, Riste "two dogs" Il-ievski and Sammy Condomitti.

* Third grade had yet another draw, bringing them close to the record for the most number of draws in a row. Still, the 3-3 scoreline took a lot of character to reach after trailing for most of the match. Two late goals levelled the scores and allowed the Baby Dolphins to take two points back over the bridge.

* What do you do when you are stuck in a traffic jam? You could play I spy .... spot the blonde .... or see who gets the look from the gorgeous brunette driving the Prelude next to you.
I have to admit, Pierco got a look from that girl last week. The look sent him into a frenzy and from the airport to Mosman he was never going to let her win the race. It was classic case of primary school rivalry .... only problem was that while he was weaving in and out of the traffic with this stunner in hot pursuit, I was praying he would not crash MY car. Next time use your own, son.
Needless to say the traffic jam was created by all those soccer lovers crammed into Seymour Shaw last week, not the footy crowd from the St George-Cronulla game. (ha ha).

* John Koch finally turned up to a game wearing a NORMAL shirt last week. Kochie has copped heaps from the players since his arrival. But it is with good reason. Some of his shirts are classic, out of the 1960's. Coach Sterrey assured him last week he would be a transformed fashion king by the time he left Dolphin Park.

* The Dolphins end-of-year presentation night has been set down for Saturday October 16 at the club. Tickets are available from the club and everyone is urged to keep the night free to help make it the same sort of success as last years. I just hope those girls turn up again and show curtain players how to dance properly.

* As everyone has probably heard by now, the Dolphins had a dramatic penalty shootout last Wednesday night to beat Bankstown in the Waratah Cup. The win assured us a berth in this Wednesday night's semi-final against arch rivals Blacktown City.
A stunning 30 metre strike by Anthony Versi put the game into extra time and then the shootout. Scoey, Browny, Versi, Gigsy and Ted all converted their penalties, while goalkeeper Frank Chiarella pulled off a sensational save, diving to his right to win us the game. Finally something went our way in '93.

* Message: "Look out Helga from Thredbo, the Dolphins are coming to the slopes." That's right we are using the Canberra game next week to spend a couple of days carving up the slopes.

* This week the Dolphins welcome the Pittwater and Wakehurst soccer clubs to Cromer Park.
Pittwater and the Dolphins have forged a very good relationship over the past two years with Richard Paddle (Pittwater) and development officer Phil Moss working closely.
Pittwater have appeared as our VIP club on a number of occasions this year and last year.
Wakehurst have appear here once before, last year. It is a very strong club on the peninsula and the Dolphins first grade squad boasts two former Wakehurstians in Wayne Pierce and Ross Ethrington.
Both teams to play in today's intervals are Under 8 rep teams for the upcoming Cromer Cup Knock-out Competition.

Rockdale ILINDEN

with Mendo Cklamovski

A depleted Rockdale Ilinden started the game against CYC Stanmore confidently despite missing four players due to injury and suspension. Michael Reda, playing his last game for Rockdale Ilinden, scored a goal in the 20th minute only to see it disallowed by the referee much to the surprise of the players and supporters. Rockdale Ilinden did take the lead after 40 minutes when Zlatko Momircevski made the most of his opportunity in first grade by scoring the first goal of the match. There was more controversy in the 80th minute when Robbie Sellar and a CYC Stanmore player were sent of for an apparent off the ball incident. Rockdale looked likely to run out winners until the last 10 minutes when CYC Stanmore scored 2 goals to take the match and full points.

Rockdale Ilinden had greater success in the lower grades with both teams winning. The Reserve Grade team won well with a 4-1 scoreline. The win gives them a good chance of squeezing into the playoffs providing they continue their good form. The Under 18's won 1-0 in a low scoring match. They have been playing solidly in recent weeks and look good for the finals.

In the Youth League the Under 14's have almost guaranteed their spot in the finals with a 3-1 win on the weekend. The side has been playing well all year and should have a good chance in the finals. The Under 13's had a convincing 5-2 win, the Under 15's lost 4-1 while the Under 17's won 1-0 in a close encounter.

Rockdale Ilinden's next game sees them up against local rivals St George on Sunday at Barton Park. The game will see Rockdale Ilinden coach Bill Pilovski match up against St George coach Frank Lang, his former mentor at Sydney Macedonia. It will be a case of the pupil using his hold tricks to defeat the teacher. It should be an absorbing encounter with Rockdale Ilinden looking to get back into winning mode in front of an expected large crowd.

Finally, the Rockdale Ilinden committee has done a great job on the fundraising front with Saturday's function and the club's raffle being highly successful. They have done a fine job throughout the year.

CANTERBURY MARRICKVILLE

Sunday's big clash with Bankstown City saw both teams needing a win to stay in touch with the leaders. Bankstown to close the gap on Blacktown and Canterbury to stay in the top three. Bankstown started applying pressure to the Canterbury defence right from the start, and found gaps in the Canterbury defence which clearly missing Paul Souris, and Scott Gilbert scored in the fourth minute, after Marshall Soper had beaten the off side trap, and crossed the ball for a simple tap in. Having taken the lead Bankstown where consistently denied more goals by the efforts of George Bouhoutsos in the Canterbury goals. A half time substitution saw Canterbury slowly come back into the game, a foul by Marshall Soper on Nick Orlic in the penalty area was put away by the Berries captain and a score line of 1-1. From that point Canterbury went looking for a second, with Christoforidis, Zoric, Christou and Zamji making life hard for the Bankstown defence. Another bit of Vlado Zoric magic saw him find room, he passed to Hantzis whose pass was converted by John Christou for 2-1 lead. Bankstown were stung back into action looking for an equaliser but found the Canterbury defence led by Nick Orlic and George Bouhoutsos unbeatable. The win was a psychological boost as we now only need 4 points to hold ourselves in one of the top three spots!

We are also in the Semi-Finals of the Waratah Cup, following a close win against Highfield Azzuri last Wednesday night. Although we did not play well and contrary to some media reports over bad luck and dubious decisions by the referee, with the score 1-2 with 10 minutes to go 2 quick goals by Sub Steve Christoforidis and another by Vlado Zoric, giving the Berries a 4-2 win and Semi Final match up with 1st Division Mt Pritchard!

Our Under 21's came back on the winning list with a 2-1 win and both goals scored by Jim Alpheris, to put them close to the top. As they meet Blacktown, Adamstown and Bonnyrigg in the last three games and with all in with a chance for the Minor Premiership!

Our Junior Youth Team have been doing well in the Round Robin Series with the Under 13's losing 0-3 to Canterbury Ass; Under 14's defeating Canterbury Ass 1-0 the Under 15's are the surprise packet at the moment with 8 form 9 points, and defeating Cant Ass. 3-0, with George Mastorakis, Angelo Kalamuokis, Steve Kalamvokis and Alex Kavandas all groomed for Under 18's for 1994. The Under 17's lost to Cant Ass. 4-6 in a high scoring game!

BLACKTOWN CITY

The Youth Organisations of Blacktown City Demons and Blacktown and District Soccer Football Association have been approved for merger by both sets of ruling bodies.
Next season will see one Youth Director of Coaching overseeing about 160 players from Under 13 to Under 17. Eight coaches will be appointed and can come from the ranks of the Demons or the Blacktown and District Soccer Football Association.
The need for the eventual merger has existed for many years and the work of the executives to achieve this end are to be thoroughly commended.
A more extensive article will appear in the press later.

It's congratulations to Hayden Foxe on his selection in the Australian Under 17' Joeys squad for the World Cup in Japan at the end of August.
Foxe is just 16 and has attended two selection camps at Parkles in the last four weeks.
We all have an extra reason to follow the Joeys' progress in the Finals. They have a reputation to live up to, as Australian teams have performed well in recent years.
Foxe has been offered a Scholarship to the AIS in Canberra, starting January. Looking at some of the young men produced by this excellent scheme, such as Stephane Joe and Dominic Longo, Foxe should accept.

Sheer outstanding class was written all over the free kick executed by the two "B"'s Steve Berry and Patrick Bradley. They both lined up. Berry ran in at full tilt and stepped directly over the ball. Before he had gone one step past there was Bradley hitting a curving and dipping ball around the opposition wall and tantalisingly into the top corner. Magic!

Damon Langan had a tremendous game against Bonnyrigg. He seems to have so much time on the ball, to gather it or rob opponents, to swerve away and to move the ball intelligently to a midfielder or attacker running on.
The combination of Langan and Jason Connolly in defence has been one of the revelations of the season. And they are both only just at the beginning of their respective careers.
How far can they go? Only time and their own determination can tell. Just remember we had the pleasure of watching them develop at the Gabbie.

SUPER SOCCER STARS

a mix of ancient wisdom and soccer nonsense by Steven Harrison

LEO (July 24 - August 23)
Know your job. When you stopper doesn't, the scorer does.
VIRGO (August 24 - September 23)
Appreciate your fans. The most loyal supporter is the one who believes the team can't play this bad forever.
LIBRA (September 24 - October 23)
There are two sides to every game. One person's defence is another person's attack.
SCORPIO (October 24 - November 22)
Beware the first law of frustration: The referee will only play the advantage when you don't have one.
SAGITTAURIUS (November 23 - December 22)
Being super fit will not make you score more goals, but it will lend energy to your tantrum when you miss.
CAPRICORN (December 23 - January 20)
Don't be bothered by the occasional error. A legendary player is someone who's mistakes have been forgotten.
AQUARIUS (January 21 - February 19)
Stay alert. A cheat is a person who, when fouled on the half-way line, manages to fall in the penalty area.
PISCES (February 20 - March 20)
Screaming at a teammate to give you the ball is OK, but you should wait until the game starts.
ARIES (March 21 - April 20)
Keeping plugging away. Being starved of opportunities should make you hungry for victory.
TAURUS (April 21 - May 20)
Grit your teeth. Shinguards don't reduce pain, they just spread it over a wider area.
GEMINI (May 21 - June 21)
If you apply all your mental capacity to analyse the game and how it should be played, you will go insane.
CANCER (June 22 - July 23)
Convert your chances. Dominating the match is no good if you lose.

by Jack Cirjanic

A disappointing result against Blacktown City last Sunday at Gabbie Stadium when the Eagles failed to use their chances by some good play finally going down 1-0. The only goal for Blacktown City came in the 30th minute of the second half following a free kick by Patrick Bradley.

The Eagles generally gave a good performance but unfortunately the Eagles forwards could not find their boots to put the ball away.

* The Club wishes to congratulate our ex-player Robert Varga who got married last Sunday. The Club's supporters wish him and his wife all the happiness and a good married life.

Last week we travelled to Wollongong and managed to win all three grades. From all reports it was a wet, windy miserable day with only the winning points as a bonus for the day. I asked Nev about Flash's goal and he told me it was a cracker from a direct free kick. I'm sure Flash will give me all the correct and detailed replay of the goal this weekend.

It was good to see the Under 21's get on with the job after the disappointing news they received through the week.

This week we again travel away. This time to the Serbian Centre to play Bonnyrigg White Eagles. Another round of games which is very important for us and again I am confident that we will come away with all the points.

Well Fella's; I don't know who did it, but Nev told me he looked like an advert for British Paint last weekend after the Paintball Contest. I suppose we will know when we see who's on the Bench. Trust Nev? Sure Can!

Just a few lines on our Junior Super League Teams. Having just two games to go before their competition finishes it is an appropriate time to thank them for their efforts in 1993. In their first year in the Sydney Competition they have all done well and should be congratulated on their efforts on and off the park.

Our Under 13 team, coached by Mark Smith, will probably finish in the middle of the table; a great effort from a team that has only been together for this year. The Under 14 team, coached by Ken Minter, are a good chance to finish in the top four. This is another top effort again by some players who are playing together for the first time.

Next, Our Under 15 side coached by Allan Moyle. This team of footballers would probably have to be the stand-out side of the Junior Teams. They are currently on equal first position with Manly. Boys, you have certainly excelled on your first year in Sydney Football, keep up the good work and continue to enjoy the game. Last but by no means least is the Under 17's coached by Michael Wagstaff. You have yet to win a game this year but from all reports you have lost some games by the odd goal or in the last minute of the game. The important thing to take out of this season is the experience of playing in a better competition and the fact that at all times you played in a competition and sportsman like manner; not once did you drop your bundle.

I think all players who played in our Super League would have learnt alot about football after listening to various astute judge's of the game I feel that quite a lot of you will go on to bigger and better things, hopefully it will be in Adamstown's colours.

Don't forget the next home game is on Saturday 14th August. Our match sponsor is Mars and there will be plenty of give-aways on the day. Be there and receive your free Mars product.

GENEROUS OFFER TO SOCCEROOS

The Directors of the N.S.W. Soccer Federation last Tuesday offered their Parklea Headquarters facilities to the Australian World Cup Socceroos on their return from Canada.

President Peter Gray offered the Australian Soccer Federation the use of their accommodation and playing fields free of charge for a four day training camp.

"It is the least we can do to help Eddie Thomson thoroughly prepare his team for the crucial return match," Mr Gray said following the generous offer.

Despite a continuing lack of success on the field the club has had a number of successes. The first of the Cock-of-the-Walk Challenges against the Premier League selections drew one of the largest crowds to Seymour Shaw for some time. The finals of the Under 10 Knock-Out also saw a very good crowd with both events proving the level of grass-roots support for soccer in the Shire. Congratulations must go to the organisers of what could become important fixtures on our calendar. Congratulations also to St George Police Citizens Youth Club for their win in the knock-out competition as well as to the runners-up Bangor for helping to put on such a great final.

Interesting to see our first linesman (line official?) sharing the duties for the Under 21 game against Warringah. The same young lady refereed the final of the Under 10 knock-out and did a commendable job.

Yet another good result for the Under 18's who have begun to put together a string of good performances and are proving to be a handful for any opposition. Good also to see Nigel Wax back playing good football at the top level. Nigel was on our former Youth League player who gave representative football away for a while. He has recently shown over recent weeks that he has what it takes to play at Super League level. And congratulations to Robert Dunne on his hat-trick against Warringah and for a number of strong performances when called up to the Under 21's.

And still the congratulations flow. This time it's to the Sutherland Shire Junior who look to have tied up the Divisional winners spot in the Youth League with a number of games still to be played. Well done everyone.

INAUGURAL LIVERPOOL CITY CUP

The presentation of the Inaugural Liverpool City Council Soccer Cup was held last Friday evening 30th July, at the El Toro Flag Motel Inn.

The Liverpool City Council Soccer Cup consisted of a Club Championship, as well as a team competition for Under 10's, Under 12's an Under 14's.

The teams having the unusual and challenging task of playing under lights for these games.

Mayor, Mark Latham presented Chipping Norton Sports, winners of the 1993 Club Championship, with the Liverpool City Council Soccer Cup. A smaller replica of the Cup going to their Club, whilst the perpetual Cup will remain on display in Council's Chambers.

Players, their families and Club members filled the function room as Councillors, Members of Liverpool Council's Sports Council and Supervisor of McDonald's Liverpool, presented the Winners with McDonald's trophies and Runners up with medallions.

The last games were played Monday 26th July, with the winners being decided right up to the last few minutes of the games.

Results were: Under 10's - going into the final game, Chipping Norton were clear leaders. Final results were Chipping Norton 12 points, Liverpool Rangers 9 points.

Under 12's - Chipping Norton and Liverpool City Robins were on 12 points each, and had to play each other, with Chipping Norton winning the final game.

Under 14's - Moorebank going into the last round on 11 points, had a bye, with Liverpool Olympic on 8 points and one game still to play. The final outcome was that Moorebank Sports and Liverpool Olympic finished up on equal points and goals, with both clubs being declared Joint Winners.

Among the guests at the presentation with the Mayor and Councillor Vella, was Councillor Tom Glavich, representatives from the Referee's Association, Todd Bryant from McDonald's Liverpool, Bruno Araco of Creative Trophies and members of Liverpool Sports Council.

Councillor Alf Vella, whose vision for expanding soccer in Liverpool and instigated this Cup, was more than pleased with the support. This being monetary sponsorship from local business of McDonald's and El Toro Flag Motel Inn, supporting Liverpool City Council. Once Councillor Vella obtained support and encouragement from his fellow Councillors, there was no stopping him. The result is a magnificent perpetual Cup which is a proud and worthwhile trophy to be played for and coveted by the winning Clubs for years to come.

Congratulations Liverpool City Council for another first for the City of Liverpool

NSW SOCCER FEDERATION
FIRST DIVISION

The competition is reaching the stage where everyone is looking over their shoulder and nerves are getting frayed.

Two sides were supposedly coasting to victory at the weekend and both nearly got a shock against lowly opposition.

On Saturday Mount Druitt held a 2-0 lead over Gladesville up until the 90th minute, while the next day Auburn United led Granville CSC 3-0, only to see the bottom club pull back to 3-2.

Saturday's contest was close throughout in terms of chances created and it was a delighted Mount Druitt which went to a 2-0 half time lead, having seen the visitors fail to break through after some excellent lead up work.

After 21 minutes John White was able to push through in the centre and slip the ball to the left byline where Wayne Farnsworth delivered a low cross for McArdle to steer in at close range, under heavy attention.

Moments later at the other end Glenn Jeffery broke quickly bringing out a reflex save from Mount Druitt goalie Derek Jenkins who used his legs to good effect. The ball then fell to Graeme Williamson who drove the ball towards goal where it was cleared off the line by Troy Shipley.

Farnsworth got a head to a long ball out of defence as Scott Gemmell came off his line in the 27th only for David Kevern to come to the rescue near the post.

Darren Pratt made it 2-0 when he was on hand to tuck the ball away after a strong move down the right in the 40th.

Mount Druitt had enough of the play to expect a solid victory in the second half, but Gladesville kept on coming at them.

Jenkins pulled off a number of fine saves in the second half, holding onto one particular Jeffery snapshot in the 74th after Sepp Disch had crossed from the right and Graeme Williamson had nodded the ball down.

Everything came to life as the 90th minute approached.

Kevern released Jeffery who slipped the ball to Williamson on the right and the low drive found the centre of the net.

As stoppage time ticked away Gladesville fashioned an unexpected equaliser.

A corner from the left was swung over by Jeffery and Mark Nile got up at the near post to send the ball towards the par post with the back of his neck. Jenkins some how reached up into the net and three points suddenly became only two for Mount Druitt.

As the game extended into nine minutes past full time Anthony Cria got away down the right after a disputed throw and crossed high to the centre where an amazingly unmarked Farnsworth, who had considered taking himself off five minutes earlier, had the simplest of headers to restore the lead.

Substitute Danny Blanco could have made it four in the last gasp, but hit an attempted chip straight at Gemmell after a swift break.

Gladesville coach Allan Bourke felt that it was his side's best performance in quite some time and raked with their Waratah Cup effort against St George for a fighting comeback.

Division 1 action

Having done all the hard work to rally to 2-2 it was galling to lose at the finish by leaving the old fox Farnsworth unmarked.

Farnsworth was happy with the team's effort in the first half, but thought the situation was under control until the two late goals came, which were right out of the blue.

He commented that the winning goal could prove decisive in the final analysis when the challengers try to haul the leaders back.

Auburn were quickly in front at Mona Park, Ozcan Celik providing a good finish when Darren Read laid the ball on the Alex Araujo 40 metres out and who in turn sent the ball through for the league's leading scorer to do the rest.

Only 4 minutes had elapsed and by the 23rd Auburn were two up.

Cristian Ortiz beat three players after receiving the ball 10 metres outside the area and chipped the 'keeper from wide on the left.

Twelve minutes into the second period Celik unselfishly off loaded the ball to substitute Robert Issa, having got past two defenders and drawn the goalie, to leave the youngster with an easy finish.

Granville clawed their way back with Rod Palomino and Michael Apanian getting two goals in 12 minutes near the end.

The Alex Araujo won a battle with the 'keeper to bring out a fingertip save which meant that Darren Read could tap in the rebound, before Wally Apanian got a third for Granville to bring the final score to 4-3.

Auburn were anxiously awaiting yesterday's critical clash with Macarthur and were still glowing after their heroic Waratah Cup exit four days earlier.

Central Coast bounced back to their best at Ernie Smith Reserve to record a 4-1 win over the inconsistent Liverpool City.

Liverpool have been having a good trot and were a goal up inside 4 minutes. Rod Wyatt climbed high to head home a free kick, which was not collected by Jason Holmes in the Coast goal.

Coast responded ten minutes later.

Paul Roberts got his head to an Andrew Sharpe cross from the right and only two minutes later the same players combined again, with Roberts this time shooting from the left side of the area.

A minute after the break Roberts

GET THE SHAKES

had a hat-trick.

Again Sharpe was the supplier and Coast were well in command then.

Sharpe grabbed the fourth himself, aided by Roberts, who returned the compliment for the earlier support.

It was a good effort by Coast who were missing key identities Andrew Ollier and Dale Eggleton, but looked good for their run to the wire.

Two sides with big ambitions Macarthur and Belmore Hercules staged a 1-1 draw at Lynwood Park where a healthy sized crowd of 284 people enjoyed an excellent spectacle.

Both goalies Angelo Rodic and David Hayes pulled off some special saves making the scoring of goals difficult.

Con Anagnastopoulos got Belmore in front in the 30th minute when he produced a left footed volley from outside the area on the right which sailed past Hayes.

Macarthur equalised in the 38th as Mark Moffett nodded in a Richie Celarc cross from the left after Celarc had made a strong run through the defence.

An earlier Moffett header had been well saved and Ian Wotherspoon saw his header from a corner tipped over by the Belmore custodian.

Peter Preston also had a shot which hit the top of the bar and the incident was one of many in the end to end affair to bring the crowd to its feet.

Belmore remain unbeaten on their travels, while Macarthur are still teetering on the brink of top five oblivion and if they slip up in the next two matches will be out of the race.

Hakoah returned from the Maccabi Games with a tired and depleted team for their Sydney Athletic Field game with Mount Pritchard.

They broke the deadlock in the 29th through Stan Suman who turned in a Brad Gambrill cross and thanks to a Vladan Radic hat-trick and later goals by Chris Ackerley and a second by Stan Suman were able to win 6-0 to maintain their recent good form.

Radic netted first from a nicely hit drive in the 38th and followed up with a finish to a Graham Watton cross in the 53rd.

Penalties brought about by clear-cut fouls saw first Radic in the 62nd and the Ackerley in the 67th further increase the Mounties lead before Suman made it six.

A header from Ackerley rebounded off the crossbar and the alert Suman stroked the ball home in the 88th.

Hakoah won two of their five preliminary matches in the Maccabi Games beating Germany 4-0 and Columbia 4-2, before losing the Quarter Finals game with Argentina when they were still jaded from a hectic series of four matches in quick succession.

The club returned without top 'keeper David Solsky, skipper and schemer Avi Ronen and midfielder Terry Sperber, who are away for some time.

Nathan Aharoni won't be back for another week so the side will have the odds stacked against them in the last four rounds.

Sunday's lower end battle between Dulwich Hill and West Wanderers at Arlington Oval was not a happy way for the locals to end their 1993 home programme as they went down 5-1 to a confident West.

When Darko Stipic in the centre spotted Robbie Cook free on the right in only the 5th minute it was part of an excellent flowing movement which led to the first goal and signalled their enterprising intentions.

John Camburn out wide on the right flank got the ball over low to the centre where a well positioned Billy Mannix was able to score with a simple header with point blank range.

Central Coast's keeper Jason Holmes

Peter Kastelan saved brilliantly for Cesar Mora a minute later after Mora had run onto a chip over the defence and then lobbed goalwards himself.

Kastelan again save from Mora in the 15th and soon after West went further ahead.

Stipic spotted Hayward on the left and after dribbling cleverly around two defenders the teenager sent the 'keeper the wrong way, tucking the ball just inside the left post through a needle-eye opening.

In trying to control the ball before clearing a Jere Matosin shot Justin Young handled in the area in the 28th and Mora scored from the resultant penalty.

From an Andrew Hunter pass a John Camburn volley was booted away by the Dulwich Hill defence in the 32nd.

After yet another Camburn cross Billy Mannix did well to shake off Zeljko Beres and steer his side's third goal past Leon Gardikiotis in the 35th.

The West defence survived a Mora created chance for Beres in the 50th minute as substitute Santos could not get there in time at the far post to snap up the loose ball and it was cleared.

Beres had been pushed forward and Matosin had dropped back to cover when Zosimo Santos came on at half time for striker Kim.

Mannix was denied by Gardikiotis in the 57th, the 'keeper using his legs to maximum advantage.

It was 4-1 in the 67th as Camburn shook off a defender and cracked a shot which was fumbled. Hayward was close enough to gain possession and proceeded to go around the 'keeper and put the ball into the net with a cool finish.

In the 80th minute Hayward should have had his hat-trick when he broke from half way and faced the 'keeper. As he made his way past him there was a tug on his shirt and the ball ran out for a corner, when a penalty seemed in order instead.

At the other end Kastelan was called on to tip one over following a corner in the 89th minute, but West weren't finished yet.

Jason Parelli on the left cut inside and laid the pass on for Mannix to get his hat-trick with a well controlled left footed shot for a final 5-1 whitewash.

It was West's seventh win and lifted them above Liverpool and into 7th spot, six points outside the top five.

TOP FIVE UNDECIDED

Division 1 Preview with Paul Goodwin

Three rounds to go now and the title and top five spots are still undecided.

The bottom place will almost certainly fall to Granville who have yet to record a win in 18 matches, though recent improvement has given them hope of doing so in one of their remaining matches.

Saturday's game at Pluim Park between Central Coast and Macarthur could determine fifth spot. Macarthur were due to meet Auburn last night at Garside Park and were hopeful of at least a score draw there.

That would bring them level with the Coasties and a win this weekend would keep the Rams in the hunt.

If they lost to Auburn then a win is essential.

Coast have hit their straps lately and are going to be fired up.

It should be a classic and well worth the trip up the freeway.

On Sunday Mount Pritchard will be back at Cook Park scene of the recent triumph over Mount Druitt. The Mounties seem to have left their run too late to trouble the leaders, but are running into peak form and are riding their injury list well after a heavy programme of Waratah Cup commitments.

They will see the visit of Dulwich Hill as an opportunity to pick up 3 simple points, but they have faltered before at their Cabramatta West home ground against unexpected opponents.

Will this be another hurdle to cause them to stumble?

Surely not. Dulwich Hill will be without many players, suspended.

Missing will be Bale Petkovski, John Sherry, Cesar Mora and Nick Lupo. On the credit side Jose Mendes may be back and so might Kevin Gaffney and Carlos Donoso.

If Zeljko Beres finds form on his sallies forward and if the defence can hold, the 'Hill could put off an upset, but a handsome Mounties win is much more likely here.

At the Gabbie West Wanderers tackle Liverpool and will be buoyant after their 5-1 over Dulwich Hill. Win at the Gabbie are rare, but this might be one of them if Liverpool can't get control early.

It is probably the hardest game of all to pick and both sides are capable of winning it well. A West win is anticipated, however.

Belmore Hercules and Auburn has to be Sunday's plum fixture. Blick Oval has been the scene of some disasters for Belmore who hold second on the strength of an unbeaten away record.

Auburn's midweek match may have left them jaded, but Belmore are going to find them hard to stop all the same. Auburn are a classy side and like Belmore play good constructive soccer.

A good spectacle is in prospect, with the winner hard to find.

A score draw is a fair assumption, but a Belmore win is long overdue.

Hakoah are at home to Mount Druitt and really would seem to have no chance of stopping the green machine.

They have recalled veteran 'keeper Eddie Kapell now that David Solsky has been left behind overseas.

The inclusion of John Foxman an old team-mate of Mount Druitt coach Wayne Farnsworth will inspire keen rivalry and Foxman is going to be keen to score a few to lift his tally for the year.

It will be tough going, we feel, and this is hardly the game when Hakoah jumps one place on the ladder to 9th after weeks out of action.

Still they had hardly kicked a ball in three weeks when they went down to Mount Pritchard so could be better prepared for the leaders when they step out at the Sydney Athletic Field.

Semi Final Contender, Belmore in action

Gladesville are due at Garside Park for an intriguing game with the last placed club.

Gladesville are a capable team and will probably have too much discipline for Granville, with their 90 minute efforts being enough to snare the three points.

It is by no means clear-cut and Granville will be motivated for that all important breakthrough win before the start.

N.S.W. ACADEMY PROGRAMME FOR GIRLS

As an extension to its Youth Development Programme, the N.S.W. Soccer Federation is introducing an Academy Programme for Girls.

KNOCK OUT ROUNDS

YOUTH LEAGUE
with
Ian Marriott

The final round of the Youth League premiership rounds will be played this weekend and for many teams it is a case of the knock out rounds come early and from here on in they will be playing a grand final every week.

Southern Districts require a minimum of a score draw this week to secure the minor premiership in the Under 13's while Blacktown City must win in order to be in a position to capitalise on any mistakes by Southern.

Illawarra are safely inside the four although they will require a score draw to ensure third spot.

Marconi only need a point against St George to finish fourth but a loss would enable Gladesville Hornsby to overtake them should they win against Sydney Olympic.

As expected Marconi have won the minor premiership in the Under 14's while Parramatta have finished second with St George third and Sydney Olympic fourth.

In each case the gap is too great for any changes to take place in the order.

Marconi have also wrapped up the minor premiership in the 15's and Gladesville Hornsby have done extremely well to finish safely second.

Some doubt still exists however among the next three sides with Parramatta needing at least a score draw to ensure third place although a loss would be likely to see them missing out altogether.

Sydney CSC are level with Blacktown City on points but fairly safely ahead on goal averages and a win will see them through most probably into fourth although with a chance for third.

Blacktown City's best chance is if either Parramatta or Sydney CSC were to drop points however they could overtake CSC on goal difference if they can score a huge win this weekend.

The Under 17's is particularly interesting as all positions are yet to be finalised.

Marconi can win the minor premiership with a scoreless draw this weekend when they meet St George who ironically also only require a scoreless draw to ensure a position in the top four.

Parramatta Eagles will be hoping for a Saints victory which would give them a chance to finish first should they beat Granville.

Meanwhile Southern Districts will be looking for a Marconi victory along with a sizable win themselves against Nepean to grab fourth spot from Saints.

DOUBLE ROUND WEEKEND EXCEPT FOR TOP FOUR

Two rounds of football will be played this weekend in Division two of the Youth League although those clubs who finished in the top four of their respective conferences will be having a Bye round on Sunday and will collect an average of the points gained from the previous matches.

Hence a team who gained eight points from the twelve would provide one and a half points and so on.

Sutherland have won the minor premiership in Under 13's with Macquarie City and Kur-ring-gai expected to be separated by the average points system on Sunday to decide second and third while Macarthur are safely fourth.

Southern and Eastern Under 14's are another who may be involved in an average points decision should they fail to gain at least a point this week and Canterbury Marrickville win both games.

Rockdale are looking good for third but the fourth position is still very open with Macarthur needing a win but under considerable pressure from just below where four teams could still make it if Macarthur were to lose including Manly Warringah, Adamstown, Sutherland and Rooty Hill.

Victory for Manly Warringah in the Under 15's would give them the minor premiership with Adamstown finishing safely second.

Macarthur only need a point to be sure of a finals berth with Sutherland requiring just two.

Southern & Eastern are the only team with a chance of breaking into this group and must win to have a chance.

Sutherland and Macquarie City are locked together on 52 points in the Under 17's and only a few goals separates them.

Neither team has an easy encounter this weekend with Sutherland playing Bonnyrigg and Macarthur are also level on 44 points although both are safe inside the the four

New South Wales Amateur Soccer Federation Competition Secretary has announced that the date and venue has been set for the finals of this years State, Amateur and Robinson Cup competitions for both men and women.

Brandon Park, Wollongong, home of the Wollongong City Wolves is the venue and the finals will take place on Sunday August 22.

All matches will take place on the main stadium which has a huge under cover Grandstand to ensure that all supporters are provided with an excellent view of the days proceedings.
